I'm a bit of a Pro at UbD

1. ID a unit you really like.
2. Use the UbD Template 2.0 (UnitPlanner or Doc)
3. Fill in all three stages as a draft
4. Use Design Standards to review with peers

I'm OK & want to get started

1. ID a goal, task or activity you really like.
2. Use the UbD Template 2.0 (UnitPlanner or Doc)
3. Fill in that stage as a draft
4. Branch off to another of the 2 stages

UbD is all new to me

1. Choose: SOLE or Guided Instruction
2. Pursue the essential question
3. Work on the Puzzle in your chosen group
4. Access the best resources for you
